JAPANESE POURING IN.  
Large influx of Japanese into Manchuria and China.

ST. PETERSBURG, Nov. 1.—Thos. Sammons of Tacoma, Wash., American consul at New Chwang, is here on his way to the United States. According to Mr. Sammons regular traffic over the Harbin Dainy road has not yet been opened, but the Japanese are pouring in by thousands into Northern Manchuria, where they are competing actively with the Russians. The Japanese consul for Harbin arrived at his post, but he was not recognized because he is credited to China and Harbin is still under Russian military rule. The consul obtained quarters at a hotel only after much trouble. Mr. Sammons returned via Corea and reported that American trade with that country has decreased greatly.

## NUMBER HAVE BEEN INTERVIEWED

SWARMS OF HUMANITY VISIT COOPER AT ST. LOUIS HEAD-QUARTERS—EVIDENT YOUNG MAN IS NOT A FAD.

ST. LOUIS, Nov. 1.—In view of the enormous sale of Cooper's preparations now going on in this city and the intense interest which Mr. Cooper has stirred up since his arrival, a representative of the Globe-Democrat spent yesterday afternoon at the young man's headquarters, watching the swarm of humanity come and go.

During the afternoon the reporter interviewed many of the callers and obtained statements from all who cared to give them as to their experiences with Cooper and his preparations.

The following are selected from those statements as being typical of the general expression of the people seen:

Mr. W. T. Bray, living at 1120 Angelle St., when interviewed, said: "I had suffered for years with stomach, liver and kidney trouble, seven years, in fact. I had tried many remedies, but obtained no help from any medicine I took. I bought one bottle of the New Discovery medicine and one of the Quick Relief. After using them one week, I felt so wonderfully improved I can hardly believe it possible. I am very grateful to Mr. Cooper. He has a wonderful medicine."

Another caller was Mrs. Clara Yohe, living at 1610 Locust street. She said: "I had suffered with stomach trouble for several years. I was so bad the last year I could not eat anything at all. I could not digest my food and had severe pain in my stomach most of the time. I did not sleep well and had severe headaches at times. I have tried many remedies, and have been to a number of physicians. I bought some of this man Cooper's preparations. I feel greatly benefited and have gained steadily in flesh since using the medicine. I have not a trace of stomach trouble left, and have come here to thank Mr. Cooper."

Mr. C. A. Taylor of 4220 Finney Ave., said: "I have been suffering with severe stomach trouble for several years and owing to the nervous conditions caused by this trouble I could not sleep. The only relief I obtained was when up and walking around. I tried everything heard of for stomach trouble, but nothing gave me any relief. I heard so much of this man Cooper, that I decided to try his medicine. I have used several bottles and noticed a decided improvement almost immediately. I am now entirely cured and feel happier than I have for several years."

Mr. John Schenk of 2111 N. 12th St., when questioned, said: "I have had eight years of suffering and sleepless nights on account of stomach trouble and headaches. I have used one bottle of Cooper's preparation, and now rest every night. I have not a trace of stomach trouble left and have been immensely benefited every way."

Mr. S. P. Hitchings, living at 2145 Franklin Av., made the following statement: "I have suffered with rheumatism for 30 years. I was stiff in all my joints, so that I could hardly use from Washington and using the name of President Roosevelt and speaking, as he said, with his authority, he asked the people of the state to elect Hughes governor. Root was warmly welcomed and when some one in the galleries called out: "Who will be the next President?" there was a general response, "Root!" Twice during the delivery of his speech the secretary was interrupted by persons in the audience and the great crowd in the theater was in an uproar. One of these interruptions came when Root declared Hearst had been elected to congress to serve the American people, and failed to do so.

"That's a lie," shouted a man in the balcony. At once there was a roar of "Put him out," but Root held up his hand for silence, and said: "Let him remain." The second interruption was when the secretary was referring to the assassination of President McKinley.

"McKinley's dead. Why should you bring him into this?" cried a man. Again there was a tumult and several policemen started to eject the man. Secretary Root asked that he be left alone, whereupon the man voluntarily left the place.
